## "Thought for the Week":

### **Holy Cross Day**

Holy Cross Day commemorates the story of Helena, Mother of the Emperor Constantine, who is said to have discovered a cross while exploring ruins in the city of Jerusalem. The cross is, of course, the universally recognized symbol of the Christian faith.

The symbol of the cross is prefigured in the story of the Garden of Eden. Two trees are set in the garden: the tree of life and the tree of the knowledge of good and evil. In eating the forbidden fruit from the second tree, Adam and Eve overreach themselves, and God drives them out of Paradise. This ensures that the tree of life is saved from the destructive impulses of human beings.

At the heart of our faith is the gospel account of the historic crucifixion of Jesus. The cross came to be seen as answer to Adam and Eve's sin, enabling reconciliation between humanity and God. The cross of Jesus is the tree of life manifested in human history.

In the cross we see a reconciling grace through the presence of divine love in Jesus, which makes Jesus and his Father one throughout.

God's love is a cross-shaped love, God's hope, a cross-shaped hope. This is the same love and hope that created the universe, the world and everything in it. This is the truth in the centre of everything: 'God so loved the world'.

Sacred, self-giving love, seen on the cross, is simply a window into the way God lives and moves all of the time. God is full of love like this and constantly pours it out like this.

So we should be thankful for the cross and reflect on its life giving mystery, not only because Jesus suffered for our sins, but because it has produced new life, bearing fruit in the forgiveness of sins and in holy lives.

### **If you are unable to get to St James for our Eucharist on Sunday:**

Fr Dennis McBride offers the Holy Eucharist: go to [www.rpbooks.co.uk/holy-mass-online](http://www.rpbooks.co.uk/holy-mass-online). *(Available from Saturday evening onwards.)* Enjoy!

**Worship in Church on Sundays** continues according to the following pattern:

There will be TWO celebrations of the Eucharist:

### **9am Holy Eucharist (Said)**

*9.45am Church will be cleaned / sanitised*

### **11am Holy Eucharist (Said)**

*11.45am Church will be cleaned / sanitised*

Each service will take approximately 30 - 45 minutes.

A single service sheet will be available for use, which we shall ask you to take away afterwards and there will be some necessary changes to our usual pattern.

*(e.g.: No sharing of The Peace; Communion will be given in one kind only; there will be no offertory procession - we shall indicate where you may leave your financial gifts. We regret that we are unable to serve coffee afterwards.)*

To comply with Government "Track & tracing" requirements, we have been asked to keep a list (names only) of those attending.

The church will remain open for private prayer on Sundays from 12noon - 4pm.

The **10am Eucharist** will be celebrated on

## Sharing The Common Cup

"Why do we use only one chalice / cup at the Eucharist?" It's a question that many people have asked over the years.

The simple answer is that we are doing what our Lord did, and commanded us to do, when he gave those first disciples the gift of the Eucharist when they shared that last supper together.

It was the Jewish custom, at Passover time, to place on the table a large cup which would be used by the prophet Elijah, who was to return to them at some point. Naturally, the cup was never used as Elijah (as far as they were aware) had not returned. So we can imagine the disciples' amazed reaction when Jesus, on this occasion, picked up the "Elijah cup" and having blessed its contents, instructed them to share it: "This is my blood, the blood of the new covenant, poured out for you."

The Eucharist is all about sharing - that's what the word "communion" means. It is not just me, on my own, receiving a personal gift from God; it is me, and you - all of us - the whole people of God, being fed by our heavenly Father with food to strengthen us for his service. St Paul said that just as there is one body of Christ given to the world, so there is one cup poured out for all of us to share. In so doing, we express our solidarity and equality with each other, and with the whole universal Church.

It is understandable that in these strange times when we are urged to be extra-careful about hygiene issues that there may be misgivings about sharing the common cup. That is why the Church has decreed that for the time being, Communion should be given in one kind only. This does not in any way detract from the meaning and importance of the whole service; we believe that our Lord Jesus is present in the forms of consecrated bread or wine and to abstain from one of them does not lessen the importance of his gift to us.

This is certainly a much more hygienic measure than what we call "intinction", when individuals dip the consecrated bread in the chalice, an action which is far more likely to spread bacteria / viruses than if we were to receive the cup itself. Therefore intinction is also being discouraged. Far better to receive the Body of Christ and then return to our places in quiet thanksgiving for the gift we have received.

## Our Outreach Groups: Chatterbox & ChitChat

A Message from Jackie Hall:

"Over the last few days I've been asked by a number of people as to when Chatterbox will return. I think this has been prompted by the schools returning in September. Guidance from Church House Westminster for early years groups operating from church premises is that they must adhere to statutory legislation! To follow this is well outside our league as we are not a registered early years setting! So I've made a decision that groups will not recommence this year unless a vaccine is in place. I know this has a knock-on effect for church finance as well as for your plans for your children / grandchildren. However, we shall take stock in January or earlier if applicable.

With regard to Chit Chat we cannot guarantee physical distancing neither in the actual church or kitchen! The objective of these groups is social interaction not distancing & we all prefer to be together rather than apart! Thank you for your understanding and continued support. Please keep praying for a vaccine to be found - it will be a game changer."

## Our November Fair

Sadly, with all the current restrictions on space & numbers with regard to public gatherings, it has proved impossible to arrange our Fair for 28th November this year. I realise this will have a major impact on our church finances and I am currently working on ways in which we might at least be able to hold a "Virtual Grand Draw". Watch this space! Jackie H.
